

### **REMARKS**

In the Office Action mailed on May 4, 2006, Claims 10 – 13 and 17 – 19 were finally rejected. According to the Office, Claims 14 and 15 contain allowable subject matter, but were objected to as being dependent upon a rejected base claim. The Office stated that the claims would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In this Response and Amendment under 37 CFR § 1.111, Applicants amend the claims to rewrite claims 14 and 15 in independent form as recommended by the Examiner, and cancel the remaining pending claims.
